Dear teachers of Youth Symphony musicians:

We write to ask that you please excuse _____ from classes on May 1st, 2009. He/she is a vital member of the San Luis Obispo Youth Symphony Academy String Orchestra, and will be attending a run-out concert at C.L. Smith Elementary School.

This unique opportunity has enormous social, cultural and educational benefits for all musicians and students involved. This run-out concert supports the continuation of orchestral music education for our youth. I hope you appreciate the educational value of this event, and support this student's participation.

Sincerely,

Issy Roberts
